

Independent Private Commercial Auto Parts Store

Every one of these assemblages of independent private businesses will be housed, either attached together or located next door to each other. The trade school will be in the center of the assemblage of businesses so interns/apprentices can just walk next door to go to work, walk next door to eat or purchase their necessities. Each and every business in the assemblage will be training centers for the trade school and will offer full and part time jobs to the community. Each independent private commercial business will work in cooperation with Tech Craftsman Career Center and the trade school to supply part time trade school interns/apprentices to be paid employees working part time to gain real life experiences.

Part time paid TCCBTS interns/apprentices employees working when out of class for Independent Private Commercial Auto Parts Store will unload stock and help bring in order materials then help stock the selves.

When part time paid TCCBTS interns/apprentices as employees work to stock shelves they will be familiar with the location of each item to help customers.

Independent Private Commercial Auto Parts Store will be the parts supplier on all engine and transmission parts for Tech Craftsman Career Building Centers' Trade School auto remanufacturing parts.

Part of the assemblage of business housing the Independent Private Commercial Auto Parts Store facility will initially be 3,000 sq. ft. of a new 10,000 sq. ft. building. As needs dictate; office and/or warehouse facilities could be expanded into an additional 2,500 sq. ft.

Independent Private Commercial Auto Parts Store will carry the best in hand tools, auto shop tools, gloves, cleaners, jacks and ramps, including carrying a wide selection of repair manuals, shop equipment and specialty tools.

All years, makes, model of engine and transmissions including all engine and transmissions internal and external components will be supplied to Independent Private Commercial Auto Parts Store by: **JPW the engine kit specialists**, of North Kansas City

JPW will supply Independent Private Commercial Auto Parts Store with all engine components, such as camshafts, crankshafts, rods, bearing, main bearings, pistons, valves, push rods, ever thinkable engine and transmission component.

AP Atlantic Pacific Automotive of Memphis, TN, will supply Independent Private Commercial Auto Parts Store with all sellable auto parts store supplies.
